

CASMET PRESS RELEASE

November 2023

The Caribbean Association of Medical Technologists (CASMET) Change of Executive

The CASMET Scientific Symposium and Biennial General Meeting (BGM) 2023 was hosted by the Barbados Association of Medical Technologists (BASMET) during the period October 23 to 26, 2023 at the Hilton Barbados Resort. The week of activities featured nineteen (19) continuing education sessions, three (3) grand social events and a scientific symposium which featured over 20 Scientific Companies. The BGM culminated with the election of officers for the next biennium 2023-2025. The New elected Regional Council was sworn in during the Awards Banquet by President Mr. Grant Lambert.

CASMET continues to be recognized as the Caribbean Association for the Medical Laboratory Professionals and in fulfilling its mandate, Your Elected Regional Council will be:
